

EQUIPMENT AND WORKSHOP MANAGER - Competition

CAMA Industries, a general contractor working in commercial, institutional and residential construction in the Outaouais region, is currently seeking a full-time Equipment and Workshop Manager.

JOB DESCRIPTION

The role of the Equipment and Workshop Manager is to manage the workshop and personnel, maintain and dispatch the vehicle fleet, and procurement of tools, equipment, and construction materials. Some tasks are shared with the Supply and Delivery Coordinator.

Main tasks:

- Management of workshop personnel;
- Procurement of tools and construction equipment;
- Management of inventory, equipment in and out at various construction sites;
- Managing the maintenance and repair of the fleet of vehicles and heavy machinery;
- Preparation and distribution of materials on the various construction sites;
- Work closely with the Material and Delivery Coordinator and site managers in the preparation and distribution of materials/tools/equipment.

Requirements:

- Driver's license
- Good shopping skills
- Knowledge of procurement of construction materials and tools
- Knowledge of materials management
- Ability to work in a fast-paced environment
- Organized and able to manage priorities
- Knowledge of computer programs and software

Assets:

- Basic knowledge of automotive mechanics and heavy machinery
- Bilingual (French, English)

We offer a competitive salary and benefits.

Submit your application by e-mail: cbeaudoin@cama-industries.com, in person or by mail, to the attention of Caroline Beaudoin - Industries CAMA, 800-A rue de Vernon, Gatineau (Québec) J9J3K5
